

“Nothing worthwhile ever happens quickly and easily. You achieve only as you are determined to achieve... and as you keep at it until you have achieved.”

~Robert H. Lauer

Mission Statement:

The mission of Crossroads Counseling, Inc, is to provide substance abusers and their families with community-based addiction treatment and innovative strategies designed to awaken a desire and commitment to change, which will create a sense of hope and healing in our community by reaching one person at a time.

Program Director

Michele Geyer, MS
Community-Based Adolescent and
Family Clinical Supervisor

“Success is to be measured not so much by the position that one has reached in life, as by the obstacles one has overcome trying to succeed.”

~Booker T. Washington

This program may be for you if...

- You are ready to make a life change.
- You are willing to attempt and maintain abstinence from drugs and alcohol.
- You are between the ages of 10 and 18
- You, or a family member, use drugs and/or alcohol on a regular basis.
